**O my God, do not wipe out my good deeds
that I have done for the house of
my God and for his service.**

- Nehemiah 13:14

APPEAL

Respected brothers and sisters in God's Mission,

Greetings from the National Missionary Society of India!

I am writing this letter to acknowledge the solidarity of our friends and well-wishers with the National Missionary Society of India, particularly during this time of global outbreak COVID – 19. We are all experiencing various challenges due to the wide spread of Coronavirus and the ongoing lockdown. Chennai continues to be a containment zone and positive cases are increasing every day. NMSI Head Quarters in Chennai is also facing financial and operational challenges. In the midst of these challenges, we are experiencing God's protection in our day to day lives. Let us praise God for giving us good health and courage to overcome this pandemic.

Solidarity of the NMSI Well Wishers: I recognize the generous contributions of our supporters through online payments, cheque and cash payments. I know some of you have taken risky efforts to send your regular contributions to

us during this time. Your act of solidarity and generous contributions is enabling us to support our missionaries and the needy people with their salary and emergency relief.

NMSI Mission Fields & Missionaries: Our missionaries are working very hard in their mission fields to exhibit the love of Jesus through their dedicated services. The lockdown and devastating health challenges have not slowed down their spirit in the evangelistic engagements. They are evolving alternative modules and working very hard to give a new face lift to our missionary work. I request all our sponsors and well-wishers to keep them in your prayers.

Promotional Work: Fund raising has become very hard for us during this time of global pandemic. The promotional workers are finding it's difficult to travel around for their resource mobilization activities. Most of the supporting churches are closed and sponsors are facing financial difficulties. In the midst of these challenges our promotional missionaries and senior leaders have taken special efforts to mobilize support for our missionary work. I invite you to work with a true team spirit to collect necessary funds to give necessary support for our missionaries during this critical time.

Online Payment Details

A/c Name : The National Missionary Society of India,

A/c Number: 408188069

Bank Name : Indian Bank

Branch : Clock Tower, Chennai

IFSC : IDIB000C038

Social Action (Tribal Hostels, Health Centers and Schools): We have closed our Tribal hostels and Schools due to this pandemic. Our wardens and teachers are connected with our students and are guiding them to protect themselves from the corona infection. It is our concern to assure basic facilities to our Hostel and School children who come from different grass-root communities. I request all our friends to support our charitable activities that we are doing to glorify the Lord Jesus among these vulnerable children.

COVID 19 – NMSI Emergency Relief (Feed my Sheep): We are distributing food materials and sanitizers during this lockdown period to destitute, widows, differently abled, homeless, transgender, gypsy communities, migrants, farmers, laborers and others who are in deserving state. We have visited around 10 villages for these welfare programs and continuously doing this relief work in a small way with the generous support of our well wishers.

Interim help to Retired and Deserving Missionaries: We have made a special emergency support to missionaries who come under the category of retired missionaries, pensioners, the sick, the Specially Abled and widows. 60 missionaries have benefited by this interim help.

NMSI - CCAC Annual Sale 2020

The NMSI Chennai City Area Committees (NMSI – CCAC) regularly organizes an Annual Sale on 15th August to raise funds for our missionary work. This year due to Coronavirus impacts and the uncertainty of the situation, we are postponing this Annual Sale to Saturday the 14th November 2020 (Diwali Festival Day). I request our well-wishers in Chennai and surrounding districts to kindly to block this date and start praying for the success of the Annual Sale 2020.

Appeal for Missionary & Tribal Support: We are experiencing tribulations due to this COVID-19 and the ongoing lockdown. Post lockdown also will be challenging and devastating. In the midst of all these challenges, God calls us to become Macedonian Community to affirm our solidarity with the needy missionaries and suffering people through our liberal giving. I am sure that the Lord who inspires us to give for the missionary work will bless us according to His riches. I request you to kindly uphold us in your prayers and support us to glorify His name.

We assure you of our prayers and wish that the Lord Almighty will protect you from this pandemic and all other difficulties. May our good Lord bless you and your families with His abundant heavenly blessings!

With all good wishes and prayers,

Yours in God's Mission
